Mr. Donat, one of our most dedicated teachers here at Guineas, has been teaching here for 13 years, and is presently head of the English department. Anyone who has met Mr. Donat for an English teacher owes him a great deal for the wisdom, truly learned counsel and supervision. We the staff of the Guineas High School Yearbook, would like to dedicate this year's book to you.

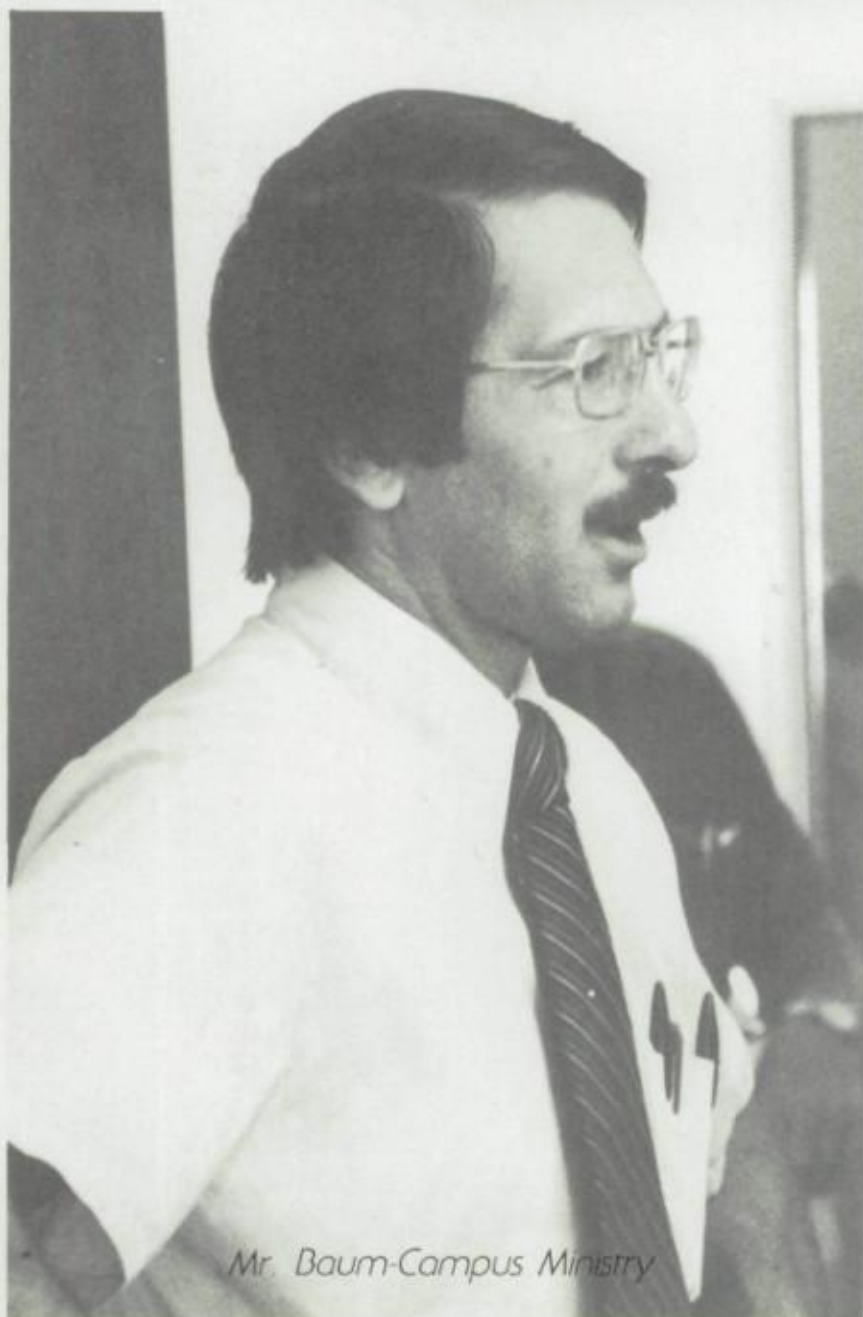

Mr. Critchlow, one of our most respected teachers here at Guinnas, has been teaching here since September of '66, until this year when he received the position of Assistant Principal. He is among the best liked teachers here at Guinnas, and deserves our respect and admiration. We, the staff of the '80-'81 Guinnas Yearbook Committee like to dedicate this year's book to you.

A large graphic of a triangle composed of the word "ATHLETICS" repeated many times, set against a dark background with stars. The word "ATHLETICS" is written in a bold, white, sans-serif font. The words are arranged in a grid-like pattern that forms a large triangle, with the words "ATHLETICS" repeated many times. The background is dark with several bright stars, some of which have long, thin lines trailing behind them, suggesting a sense of motion or speed. The overall effect is one of dynamic energy and focus on the word "ATHLETICS".
